

I am writing to tell you that LPFM stations should not take priority over current FM translator K-LOVE. This station needs to take first priority! It has changed my life and the life of my children. It only transmits positive, encouraging music that speaks to peoples heart & spirit! It is ONLY doing GOOD. If it is taken away people will not be able to sing to the Lord--which is who we are all held accountable to! God will only bless you by keeping it on the air!
